Working to preserve, promote, and protect family relationships

May 23, 2017

Dear Legislators of Alabama,

Thank you for the defeat of HB 239, a child custody bill that maintains the existing family law practices! We appreciate all you do for our great state of Alabama. We would also like to send our gratitude and appreciation to Senator Stutts and co-sponsors (*Senator Marsh, Senator Sanford, Senator Singleton, Senator Whatley, Senator Beasley, Senator Albritton, Senator Shelnett, Senator Cole-Madison, and Senator Bussman*) of SB186.

We know the hard work you have made to get this bill (SB186) heard during this year's session. We will continue to spread the information about equal access and shared parenting throughout our state. As loving and fit parents, we believe that both parents play a vital role in creating a foundation for our children that will allow them to be productive members of our society. We look forward to meeting and talking with you about this important opportunity to create a new standard for child custody agreements.

Sincerely,

ALFRA Board Members
