What would you like to do through ALFRA to help the cause? The Alabama Family Rights Association is a non-profit organization dedicated to helping parents, children, and grandparents protect their rights. All of our work and programs are carried on by volunteers, and we need more help with our volunteer program. We hope you will join our volunteers in working with others who need help. If you volunteer, you would be asked to help only a few hours per month. Please indicate the area you are interested in working:

\_\_\_ Legislative      Work with other Alabama activists, draft legislation, testify before the legislature in Montgomery, write letters and make phone calls to government officials.

\_\_\_ Telephone      Make calls to new members, prospective members, and to talk with members having problems

\_\_\_ Court Watch      This is one of the most important activities that ALFRA has. We sit in on court hearings with other members to ensure judges and attorneys are doing their jobs in a just and fair manner.

\_\_\_ Fund Raising      Contacting businesses and individuals to solicit financial donations, and finding new ways to raise money for our cause.

\_\_\_ Administrative      Computer skills helpful. Maintain our membership and other miscellaneous data. Prepare info for mass mailings.

\_\_\_ Publicity      Work on ways to get our message before the public
