

CONVERSATION STARTERS

If you could have any super power, what would it be and why?

If you could only eat three foods for the rest of your life, what would they be?

What was the nicest thing you did for someone else today? What was the nicest thing that someone else did for you today?

How would you get out of a situation where you were offered alcohol by your friends?

If you could choose a new name for yourself, what would it be?

If you observed a friend or family member texting while driving, what would you do?
